

SALSA TWIN - BANNER STAND

user instructions

1

SALSA TWIN Banner stand kit includes:
 Double cassette silver Aluminium base,
 Bungee pole set
 Double top rail retaining clip
 Printed graphic panels
 Carry bag

2

Take the three section bungee pole from the base and assemble to a straight pole. Insert the pole into the slot on the top of the base.

3

Carefully pull the graphics from the top of the silver base.

4

Lean the banner stand toward you as you pull up the graphics.

5

Hook the top rail of the banner stand over the retaining clip.

6

The exhibition display banner stand is now fully assembled and ready for use.

7

To lower the roll up banner, gently feed the graphics into the base - one side at a time. **Do not let go of the graphics until fully retracted into the base.**

8

Your portable banner stand can be easily transported in the supplied protective carry bag.

How to care for your Graphics

When cared for correctly, your graphics have the potential to give excellent service for a considerable time.

1. Never fold or bend your graphics
2. Use the supplied case for transportation
3. Do not expose graphics to water / moisture
4. Do not expose graphics to excessive heat
5. Do not expose graphics to direct sunlight
6. Store in dry temperature environment
7. Store at room temperature for 48 hrs before use to avoid curling
