

# Athena Roller Banner Stand User Instructions

Kit includes:-  
base with cartridge  
Bungee pole set  
Printed graphic panels  
Carry bag

To open slide down both locking tabs on the left and right of the base, lift open the lid

Simply lift the cassette from the base to insert new graphics, place the banner back into the base ensure the rods are seated correctly into the top, back and front groove

Lock the lid back into place and remove the poles from underneath  
Assemble the bungee pole and insert into the base

Lean the bannerstand backwards and extend the banner by lifting the top rail until the complete image is visible

Finally secure the banner into position by locating the top rail hole with the bungee pole

Take care when lowering the banner (**do not drop**) to prevent damage to the banner
