

# Salsa Roller Banner Stand User Instructions

Kit includes:-  
Silver base  
Bungee pole set  
Printed graphic panels  
Carry bag

Take the bungee pole from the base and assemble and insert into the base

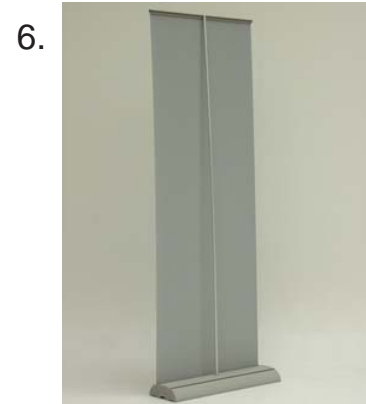

Carefully pull the graphics from the base towards you

Lean the bannerstand backwards and extend the banner by lifting the top rail until the complete image is visible

Hook the top rail over the bungee pole

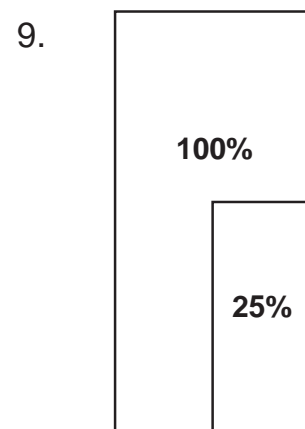

Finally the banner is secured into position

Take care when lowering the banner **(do not drop)** to prevent damage to the banner

All go-displays Bannerstands come complete with a carrying case
